Congratulations! You have successfully completed the online course Introduction to Logic, offered April through June 2012. To successfully complete this course, students were required to watch lectures and complete the associated problems.

We thank you for your interest in the course, and for participating in our ambitious experiment to deliver quality education content to the world.

Michael Genesereth

Associate Professor of Computer Science  
Stanford University

Eric J. Y. Kao

Teaching Assistant  
Stanford University
